PROFESSIONAL EXPERIENCE

Desktop Support Technician, Colorado State Libraries: Fort Collins, CO — June 2024 – Present

- Optimized inventory database utilizing Excel and Active Directory for 400+ devices to manage status and lifecycle across 10 functional units.
- Implemented and configured software solutions that directly improved operational efficiency for over 180 users (faculty, staff, and students).
- Developed PowerShell (PS) scripts to automate IT process compliance for large-scale desktop and laptop imaging and deployment.

Cashier, Whole Foods Market: Fort Collins, CO — November 2022 – June 2024

- Managed transactions daily with accuracy and ensured customer satisfaction.

Teen Council Lead Artist, Artpace Contemporary Art Museum: San Antonio, TX — August 2021 – May 2022

- Collaborated with cross-functional stakeholders (exhibition managers & resident artists) to develop teen programs, city events, and accessible, community-based projects.
- Managed project timelines and resources, ensuring the delivery of all commissioned illustrations and marketing materials within established deadlines.

ORGANIZATIONS + VOLUNTEER WORK

CSU Association For Computing Machinery - Women (ACM-W) — June 2025 – Present
Marketing Chair, Digital Strategy and Web Development

- Contributed to the multi-phase project of chapter revival, delivering a fully operational community that regularly hosts industry professionals.
- Led creative production and executed full-stack web and media development (WordPress), translating club goals into compelling, visual and written content.

CSU ColorStack — June 2025 – Present
Founding Officer and Communications Lead

- Co-founded the first university chapter of ColorStack, developing the initial recruitment strategy by managing all social media and primary communications.
